가을 HOUSE

I didn't know you would  
have anything like that  
with your children, please!  
I don't think I can stay  
with you in the same house  
because you'll have the same  
time returned to protect that  
we're really engaged!  
I want to forget  
all about this!

You're not the woman to  
grow up that will blame for  
the small accident in  
relation to this. I don't  
want to create  
negative directions  
connected with that.  
You're the one  
who is responsible  
for everything!  
I don't understand  
myself anymore!

There are several  
things up with a  
woman's appearance.  
I'll trust you after you

it is your belief to do

You should make me

How much do you want per week?

If you don't want to increase it  
it's OK, you can't expect to  
start at the building site by  
this, but it's a good  
opportunity for you to  
get into the field. I'll not let  
change you for the house,  
since you're saying that you're  
better than I am.

 If you don't keep this  
 promise with me,  
 I'll never agree  
 with you.  
 You selfish, mean

This is my first  
 time having a  
 woman so  
 stubborn like you!

You never seem  
 sincerely with such  
 a bad manner like  
 you have before!

You're terrible!

I would have a part

Why are you looking

What are you

I will not

Now your old boy  
friend is back in  
your life. Is this  
a joke or what?

Moreover,  
you're supposed

situation that you  
can make me  
a stupid person.

But I  
understand

Why do you  
expect me  
to be like this,  
or not?

It's about the Fall  
Square. However, don't  
forget the fact that you are  
my official fiancée!  
Don't treat me like a  
stranger.

So this was my  
first moment by the  
house. But you also  
needed this engage-  
ment, did you?

Then you should  
remember I need  
something like an  
engagement ring to show  
you the difference  
from Philip? Is it  
what you want  
diamond?

It shows you
